Vice President of
Academic Administration

November 5, 2008

To Whom It May Concern:

Working with S.L. Leonard & Associates has been a true delight. Sean Leonard is a consummate professional, a skilled diplomat, and is extraordinarily competent in the field of project management. A review of his resume will validate these superlative comments. My endorsement of his work is without reservation. If I need a project manager in the future, S.L. Leonard & Associates will be my first, second, and third choices.
